

# 1050 WOODWARD AVE DETROIT, MI

## PREMIER INTERCONNECTION AND COLOCATION

Combined with the most robust network infrastructure and services solutions, 1050 Woodward Avenue, also known as One Campus Martius (OCM), offers the most comprehensive colocation product options in Downtown Detroit.

OCM features 10,000 square feet of enterprise, purpose-built colocation supported minimally by N+1 MEP infrastructure and hosted within a critically secure location. OCM is one of two Raeden-managed connectivity hub sites in downtown Detroit. The site offers up to 3 MW of scalable power capacity and is a unique network and colocation opportunity between Chicago and Philadelphia.

## RAEDEN-MANAGED SOLUTIONS

- Diverse conduit and riser solutions
- 10,000 square feet of enterprise, purpose-built colocation space
- Rooftop wireless solutions

## FACILITY SPECIFICATIONS
